OFFICE OF THE DEPUTY COMMISSIONER,

From

To

Sir,

Sanctioning the full establishment allowed for Second Class Municipalities for the Hunsur Municipality.

I have the honour to forward herewith the file of correspondence ending with the Hunsur Town Municipal Council President's Report No.H.C.49 of 45-46 dated 27th April 1946 on the above subject, and to state as follows.

Hunsur is a Town Municipality, the average income and expenditure of which for the last five years (from 1940-41 to 1944-45) is Rs.25,640/- and Rs.23,430/- respectively as per statement of of Receipts and Expenditure enclosed. As per Appendix L. printed in page 226 M.AM., the Municipality should have had the full scale of establishment as noted below.

1. Clerk on Rs. 40-2-50.
1. -do- 25-1-35-1-40.
1- -do- 20-1-25.

But at present, there is only one clerk whose pay is Rs.25-1-35-1-40. During my inspection of the Municipal Office on 25-1-46 it was found that important Register and accounts of Revenue had not been posted up-to-date. Bakipatties (salwar and Babwar) had not been written up. Returns, quarterly and half-yearly hd not been sent although they were long overdue, and long pending references and audit notes of past years had not been answered and there was practically no record sorting work done and ~~dis-~~

periodical destructions arranged as per rules. In fact, there was much to be done to improve the Administration and all this required clerical help. I have therefore observed in my notes of inspection (copy sent to you seperately already with Memo No.D3. 2732 of 46 dated 25-3-1946) that without adequate clerical establishment, it is next to impossibility to effect any improvement in the administration.

The Council had alsox resolved to have the full strength of establishment allowed sanctioned vide copy of Resolution dated 29-9-1945 enclosed. Proposals could not be submitted for this till now as no definite proposals with proportion statements in duplicate had been received. The statement received is enclosed after necessary scrutiny. In addition to 2 Clerical appointments, one on 40-2-50 and another on 25-1-30, an additional Bill collector on Rs.15/- and 2 additional Kolkars at Rs.10/- each are proposed by the Council and these are included also. The total extra cost on account of revision would come to Rs.106/- per mensem or Rs.1272/- per annum as the statements will show. The Municipality is capable of bearing the extra cost.

I request in the foregoing circumstances, that Government may be moved to sanction the proposal of the Council early in the interest of the improvement of the Municipal Administration which is an absolute necessity. Proposition statement in duplicate accompanies.

I have the honour to be,
Sir,
Your most obedient servant,

DEPUTY COMMISSIONER,
Mysore District.
